Per the discussion this morning at the mgmt meeting, I can update Cyndy tomorrow on the comments that the Remedy Review Board had at the meeting last week.

Thanks. FYI – during this morning’s meeting of RSD senior staff, Ken Patterson solicited possible agenda items for his ‘general’ meeting with Cyndy Mackey and Rafael DeLeon tomorrow, and I broached the possibility of the NRRB meeting on Portland Harbor (since Cyndy is immensely interested in PH) and Ken thought that that might be a good idea and, since Bruce Kulpan was absent from this portion of the meeting, Ken asked me to follow up and alert you.

At this point, I leave it to you... (e.g., whether you want anything brought to Cyndy’s attention tomorrow, etc...).

Hey Mike,

Attached are the draft comments from the RRB for PH. I haven't read through this yet, but we can chat tomorrow about this and NPP sites if you like.
